

FISCAL NOTE

SB 135 - HB 145

February 11, 2007

SUMMARY OF BILL: Requires that TWRA land management decisions not result in any net loss in the acreage available for hunting and fishing. Opens all TWRA lands to hunting and fishing except as limited by agency reasons including public safety, homeland security or as otherwise limited by law.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - \$2,500/One-Time/Wildlife Fund
Exceeds \$200,000/Recurring/Wildlife Fund**

Assumptions:

- There will be a one-time cost of \$2,500 for one part-time employee to establish baseline data on TWRA boundaries.
- There will be a recurring cost of \$200,000 for state-wide satellite imagery work to establish and maintain boundaries.
- There will be administrative costs for preparation of the required committee report.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
